

5-SPOT

Savers Club

Sponsored by  TACU
Credit Union

Dear Parent/Guardian:

Help your child EARN \$100 for their classroom!

TACU Credit Union is sponsoring a savings club right inside your student's classroom. Every Tuesday, your child can make a small deposit into their 5-Spot Saver's Club account while at school! Each school quarter, TACU will donate \$100 to the top three classes with the most in-class deposits.

We believe it's never too early to teach the importance of money management by encouraging children to save on a regular basis.

If interested in setting up a savings account for your student, simply complete the reply card that is attached below and hand to your student's teacher/office or drop it off at TACU Credit Union. We will then contact you about setting up your child's 5-Spot Savers Club account.

Thank you,
TACU Credit Union
