NOVEMBER 2022

1st Quarter 5-Spot Winners

Congratulations to Ms. Grovesteen's 5th Grade Class from La Grange, Ms. Jerebs 1st-3rd Grade Class from TAMS, and Ms. Reimann's 3rd Grade Class from Warrens on receiving $100 each for their classrooms by making in-class deposits every Tuesday! We can't wait to see what the winning classrooms do with their $100!

A special Thank You goes to the Tomah Area School District for partnering with us to provide an opportunity for elementary students to save while at school.

Local Smishing Scam Alert!

TACU has received several calls from members reporting a suspicious-looking text directing them to call a phone number right away to fix a problem with their debit card. Some of these texts include personal information like names and phone numbers to make them look more legitimate but don't appear to come from TACU Credit Union. The phone number people are told to call is not connected to us.

An example we were provided had the type of spelling/grammar/syntax errors that make it easier to identify it as a scam though the threatening language. This could cause just enough panic to make someone respond.

TACU does use a text system to notify members of fraud on their debit cards but those notifications identify Shazam as the sender. If you get a text that seems suspicious to you please feel free to contact us right away.

SANTA CLAUS IS COMING TO TACU

Congratulations Chris!

After 42 years of dedication, Chris has announced that she will be retiring December 31, 2022. Chris began her career with the credit union as a Teller/ Member Service Representative. She is retiring as our Vice President of Member Services. Chris has seen the credit union evolve from the small house by the Tomah Library to the building it is today. When she started, the credit union didn't even have computers. Everything was logged manually. She was instrumental in expanding the services available at the credit union. IRA accounts as well as debit cards are just a couple. Congratulations on your prestigious career, and it's an honor to help you celebrate your retirement. CONGRATULATIONS!
